Dear WLIB Members:

We hope you and your families are staying healthy during this unprecedented global pandemic. We are reaching out to you during this difficult and challenging time to ask for your help in continuing to support our organization and our upcoming events and programs. Without your assistance we may not be able to continue to sustain and grow this historic and important organization and we appreciate any support and help you can provide.

While under normal circumstances we would have been celebrating the installation of our new officers at our Annual Dinner in June of 2020 and renewing membership dues at that time, because of the Covid-19 crisis this event had to be postponed until November 9, 2020. Other events such the Meet and Mingle with our Elected Female Officials, the Judicial Reception and summer networking events also had to be postponed but we remain optimistic that we will continue to enjoy these events in person or via Zoom in the near future.

We are planning CLE programs in August and September and our annual Law Clerk Reception in October welcoming all of Bergen County Superior Court incoming law clerks. These events will take place via Zoom. Your participation in these events is essential to our organization, which provides educational programs and services to the Bergen County legal community.

The renewal of membership dues is vital to the continuing survival and operation of our organization and we request your assistance by renewing your membership dues at this time. If you have not done so already, please renew your membership by visiting our website at <https://www.womenlawyersinbergen.org> or by completing the form attached to this letter and sending it to Cathe McAuliffe, Esq., 210 River Road, Suite 32, Hackensack, New Jersey 07601.

We look forward to seeing everyone in good health in the near future and appreciate your response to this urgent appeal. Stay safe and healthy.

Sincerely yours,

Victoria R. Pekerman
